RESTRICTION OF FLYING REGULATIONS: RALI CEREDIGION, 03-06 SEPTEMBER 2026

- 1** The Rali Ceredigion is scheduled to take place in Ceredigion and Powys in Wales, on **03-06 September 2026**. In view of the large number spectators attending and of the fixed and rotary wing as well as unmanned aircraft involved in both the filming of the rally and the relay of broadcast data, as well as the transport of rally officials and VIP guests to and from various stages, the Secretary of State for Transport has decided that it is necessary to introduce Restriction of Flying Regulations under Article 239 of the Air Navigation order 2016, for reasons of public safety.
- 2** The charts in this document relate to the areas defined in the associated text and the schedule. All areas will be subject to individual NOTAM action. Pilots are strongly encouraged to employ the use of moving map technology and/or an air traffic service to mitigate the risk of inadvertent airspace infringements.
- 3** Subject to paragraph 5, during the periods specified in column 5 of the Schedule, no aircraft is to fly below the corresponding altitude specified in column 3 of the Schedule, within the area bounded by a circle having a radius specified in column 4 of the Schedule, centred at the point specified in column 2 of the Schedule.
